

You've Been Flocked!

THE PINK FLAMINGOS ARE RETURNING TO SCITUATE!

May 23 - June 12

HOW IT WORKS

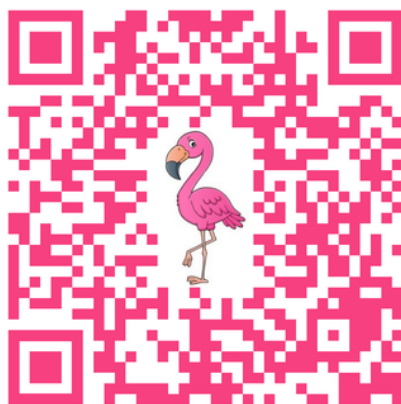

They're back! The Scituate community is invited once again to join in a little Pink Flamingo fun while helping support Saint Luke's Episcopal Church by "flocking" the front lawn of a friend, neighbor, family member, or graduate!

Simply go to www.saintlukesscitate.com/flamingo for an order form to send a flock of 15 flamingos to the Scituate address of our choosing for only \$35.

The flocking recipient will be provided the opportunity to choose the next house if they like. The recipient is not required to make a donation, and the flock will automatically move to their next lawn.

ANTI-FLOCKING INSURANCE

Protect your lawn from the flocks! We offer anti-flocking insurance for a donation of only \$15.

FOR MORE INFORMATION, ORDER FORM, & ANTI-FLOCKING INSURANCE FORM, GO TO www.saintlukesscitate.com/flamingo
